ALGEBRA II/TRIGONOMETRY

(MA 3137)

One credit, One year

Grades 9-12

Counselors are available to assist parents and students with course selections and career planning. Parents may arrange to meet with the counselor by calling the school's guidance department.

COURSE DESCRIPTION

Algebra II/Trigonometry is designed to continue the study of topics explored in Algebra I. Topics include complex numbers; functions and graphs; systems of equations and inequalities; polynomial, logarithmic and exponential functions and equations; and sequences and series. Topics from trigonometry include circular functions, graphs and applications. Graphing calculators are used to enhance the understanding of realistic applications through mathematical modeling and to aid in the investigation and study of functions, equations and inequalities. Students may take the Standards of Learning (SOL) test for Algebra II. Specific dates for the spring or summer SOL test will be announced by the school. **Students cannot receive credit for both Algebra II/Trigonometry and Algebra II (MA3135).**
